## Work History

2023-06 -

2023-09

### ATTACHEE/INTERN

MG INNOVATION HUB, NAKURU, KENYA

- Assessed clients' needs to determine specifications and developed and implemented bespoke systems, fulfilling users' requirements.
- Championed implementation of solutions by identifying and capitalizing on improvement opportunities, monitoring progress and adapting to changing demands and trends.
- Provided project progress updates and proposed solutions to issues.
- Contributed to a positive team environment by collaborating with fellow interns on group projects and presentations.
- Supported with creating project marketing materials to promote services.
- Promoted system conversions and improvements, created and executed test plans and met project teams to review deliverables and deadlines.
- Worked with project teams in implementing and testing systems against requirements for error detection and quality assurance.
